FOR HIGHER LEARNING

A Nonprofit Since 1961.

REPORT CARD

Congratulations to former loan recipient **Elizabeth Raff** PA's Teacher of the Year!

"If we want Pennsylvania to thrive, we need to ensure students can pursue education. Supporting students on their educational journey is critical and doesn't end in high school. Organizations like LDHL are essential in enabling students to pursue their dreams in higher education."

"Having the ability to obtain an interest-free loan was a huge support as I navigated the financial burden of higher education. Knowing that I would always be able to pay off the loan little by little allowed me to jump into my career with confidence."

Our mission is to provide financial resources to Lancaster County residents in support of their post-secondary educational goals.

"While in school, these loans helped close the gap of what needed to come out of pocket. I would not have been able to pay for college without them. I have also been so thankful for the interest free nature of these loans, both while in school and in repayment. This has allowed me to repay all of my student loans early." ~Angie D.
